

Lisa Petrosky

With over 30 years of experience as an interior designer, Lisa Petrosky has concentrated her career in the hospitality industry with a focus in hotel design and procurement. Her experience as the Manager of Interior Design for a major hotel corporation makes her uniquely qualified to provide interior design that is operationally sound and geared for an improved return on investment.

After serving as VP of Design for twelve years, she acquired ownership of **HSI Design Group** in 2013 and has grown the company by 100% since that acquisition.
